Q7. Title of the dataset being deposited

Which methods are the most effective to enable novice users to participate in FAIR ontology creation? A usability study.

Q2. By depositing material into the [UA Research Data Repository](#), you acknowledge that you and any material you deposit are subject to the [UA Data Repository Policies](#). Additionally, you acknowledge and agree to the following (check each box).

- ☒ I confirm that **I am the creator** of the material being deposited (or I am authorized by the creator) to make all deposited material publicly available.
- ☒ I confirm that the data being deposited do not contain information of a **sensitive or legally protected** nature (HIPAA, FERPA, ITAR, CUI, etc.) or are otherwise not publicly releasable.
- ☒ I confirm that if any **de-identified human subjects data** are being deposited, consent has been obtained to make the data publicly available.
- ☒ I confirm that if any **tribal data** are being deposited (e.g., data about tribal lands, people, and resources), I have obtained certification from the appropriate tribal council(s).
- ☒ I acknowledge that the Repository is **intended for publicly sharing research outputs**. Any materials submitted for review which are designated as embargoed or confidential must have a valid reason for those restrictions (see the Embargo policy).
- ☒ I will complete the supplied **README.txt** to the best of my abilities. Additionally, within the README.txt, I acknowledge that I must designate at least one corresponding author to which all inquiries about the dataset should be addressed to.

Q3.

Your Responsibilities

The Depositor and Corresponding Author agree to

- Adhere to the [Repository policies](#).
- Follow the data [deposit guidelines](#).
- Provide complete and detailed information as requested by the data curators. This information will only be used to improve the quality of the dataset.
- Grant the Repository and associated curators/managers permission to curate the material, including: adding or modifying metadata to increase data [FAIRness](#); removing the data to ensure confidentiality of human subjects or to ensure compliance with any applicable laws; translating the material, without changing the content, to any medium or format for the purpose of preservation.

Non-exclusive Distribution License

The Corresponding Author acknowledges they are solely responsible for the contents of the materials being deposited and agree that

- The Repository may keep more than one copy of this submission for purposes of security, back-up and preservation.

Repository Responsibilities

The repository will

- Assist Depositors with the deposit process.
- Perform a curatorial review of all deposits to ensure compliance with all policies and to aid with reusability.
- Collaborate with the UA Campus Repository team to establish the best location for materials that are out of scope for the Data Repository.
- Ensure material remains publicly accessible via the internet for the life of the repository.
- Provide the material with a DOI to adhere to citation best practices and enable proper attribution within journal articles and other published material.
- Ensure that the dataset is preserved and accessible (by request) by the depositor or other steward for a minimum of 10 years from the date of deposit.
- The Repository will provide these services at no cost, unless there is a prior agreement.

- You allow deposited material to be promoted in any form for the purpose of dissemination.
- You allow the transfer of the material to another repository should this Repository cease operation.
- The submission is your original work, and that you have the right to grant the rights contained in this license. You also represent that your submission does not, to the best of your knowledge, infringe upon anyone's copyright. If the submission contains material for which you do not hold copyright, you represent that you have obtained the unrestricted permission of the copyright owner to grant the Repository the rights required by this license, and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission.
- The Repository will clearly identify your name(s) as the author(s) or owner(s) of the submission, and will not make any alteration, other than as allowed by this agreement, to your submission.

IF THE SUBMISSION IS BASED UPON WORK THAT HAS BEEN SPONSORED OR SUPPORTED BY AN AGENCY OR ORGANIZATION OTHER THAN TESTOR, YOU REPRESENT THAT YOU HAVE FULFILLED ANY RIGHT OF REVIEW OR OTHER OBLIGATIONS REQUIRED BY SUCH CONTRACT OR AGREEMENT.

Q8. The Corresponding Author acknowledges they are solely responsible for the contents of the materials being deposited and agree to this Deposit Agreement.
